

Stirling University to Dumyat car park (Cocksburn Reservoir)

The recommended route: accesses the Kenilworth Road which is the first right after the Arthney roundabout (ie approaching from Causewayhead in direction of Bridge of Allan - red line in bottom left of map)..

The road twists and turns, is on a steep incline and is coloured yellow on the map.

Where a fork occurs, Sheriffmuir Road is signposted to the right..

Cocksburn Reservoir is picture top centre and Dumyat car park is adjacent to Sheriffmuir Road and, approximately, due east of the reservoir.
